Selamat Datang

TO HO JIAK HAYMARKET

I was mostly raised by my Amah (grandmother) in our family home on Lebuh Ah Quee in Penang while my parents worked.

Much time was spent by her side watching and learning while she cooked for us grandchildren with love.

She became my reason and inspiration to master our beloved cuisine.

Ho Jiak is my dream of sharing good food with the world. Like a popular saying goes,

“Good things are meant to be shared”

Here, immerse yourself in the world I knew as a child. I hope to transport you to our family home and the streets of Penang where we lived.

My Amah always taught me the importance of fresh ingredients, and it is showcased to you here like it would were you in a Malaysian fish market.

I learnt cooking Nyonya food through my Amah, and I hope that I may pass on her “legacy” to you.

Enjoy,
Junda Khoo
